Manitowoc offers 0% financing on foodservice equipment

Zilch. Zip. Nada. That's what qualifying buyers pay in interest for the next 24 months on eligible Manitowoc Foodservice equipment purchased from participating partners between now and September 30, 2008. Manitowoc has put together a 0% financing program that places new, energy efficient foodservice equipment within your reach. And, when you combine that with the Federal Government's Economic Stimulus Package for small businesses and the local and state energy-saving foodservice equipment rebates there's unprecedented savings.

To learn more about Manitowoc's 0% financing opportunity, how to qualify, and where to get it, go to: www.manitowocfsg.com/finance/1120
